LIBERTY ELEMENTARY SCHOOL HOLDS AGRICULTURE SHOWCASE

BUCKEYE (March 7, 2023) – Liberty Elementary School is pleased to announce its annual AG Showcase on Thursday, March 30 from 5 to 7 p.m. at the school, 19801 W. Fremont Drive, Buckeye.

The showcase gives Liberty Elementary School the opportunity to open their campus to the community and share their commitment to their AgScience signature program. They will have work products displayed, make and take activities for families, animals and meals available for purchase for \$5. The Dessert Auction, which is a crowd favorite, will also take place at 6 p.m.

"This is an event that our school looks forward to all year," said Holly Weiner, principal at Liberty Elementary School. "Many of our staff and families choose Liberty for our AgScience Signature Program, which connects our curriculum and state standards to the National Agriculture Literacy outcomes. We are proud of this unique integration and the impact it has on our school community."

Additionally, Liberty's preschool will also be celebrating Week of the Young Child in the gym during the AG Showcase. There will be fun activities for young children, along with important parent resources.

About Liberty Elementary School

The first of Liberty Elementary School District No.25's seven schools, Liberty Elementary School is the center for agriscience education. Liberty serves students in grades K-8 and works to create meaningful relationships; producing generations of students who achieve academic and personal growth while embracing the importance of agricultural literacy. Liberty integrates core content standards with agriculture literacy to promote life-long nutrition, environmental sustainability, and agribusiness career exploration.

About LESD No.25

Founded in 1882, the Liberty Elementary School District No.25 spans 285 square miles including rural and suburban settings. It has grown from a historic one-room schoolhouse, to seven kindergarten through eighth grade schools between Buckeye and Goodyear. Its seven schools educate more than 4,500 students in kindergarten
